Hi, I am **Toby** and I am not very well at the moment so I am with Aunty Alison. Your pennies will help her to keep her promise to look after me until I am well enough to go to a new home. I would love to have someone to write to and tell all about my adventures in the New Forest.

Hello, I'm **Holly** and I love everyone but I have to confess that I am a bit of a 'scaredy' cat when I meet new people. My last kennels wanted to put me to sleep but now that I am an SOS dog, your pennies will keep me safe and I will be able to tell you all about my escapades in North Devon.

Visit our website and see how Cassie has progressed in her new environment

My name is **Cassie** and everyone thought I should be put to sleep but I know that Southern Counties will keep me safe, as they have promised never to put a healthy dog down - becoming an SOS'er will help them keep their promise. I can't wait to tell you all about my new friends and my new kennel.

**Blue** here, and I am a bit of an old boy - some people said a little past my sell by date - what did they know? I still have lots of life left in me yet and with your help I will be here to tell you all about my jaunts for a long time to come yet! You know, sponsoring an SOS dog makes a lovely present.

## Sponsor a dog today - and get a new friend in your life

We need to raise £2,500 for Toby's operation - can you sponsor him and help save his life - he thinks he is worth it! (So do we)

Sponsoring a dog is easy

Email:

[lynne@southerncountiesgsdrescue.co.uk](mailto:lynne@southerncountiesgsdrescue.co.uk)

stating which SOS dog you want to sponsor and we will email you everything you need. Payment can be made by cheque or monthly/quarterly by standing order. If you are sponsoring a dog as a gift, the welcome pack can be sent direct to the recipient.

### Why Sponsor a Dog?

Unfortunately some dogs prove more difficult than others to rehome - often they have come from a working environment and so need to learn to live in a domestic situation, some are simply too scared to live in a noisy environment, like our Cassie. Whatever the reason we have pledged that we will never put a healthy dog to sleep. As a Supporter of Southern Counties GSD Rescue you will receive:

- A picture of your SOS dog
- A Christmas and Birthday card each year from your special friend
- Quarterly news letter

AND

**MAX** - your very own 25cm soft toy to remind you of your friend wherever you are.

Max - our SOS mascot
